Ashleigh,

Please include this State Contract purchase in the Board Reports for next meeting.

Jerry, please release the PO.

Thank you,
Gary.

Just to be clear I am presuming you or your staff will prepare the report that Dudley mentions. Purchasing will wait to finalize the purchase order until we know the report has been sent to the Board so please let TaWanna know when that has happened.

Thank you

Dudley,

This is the purchase we spoke prior to last weeks BoCC meeting regarding the purchase of Dell PC's on State Contract. We solicited multiple bids and Dell was the most economical with their State Contract pricing. You had verbally approved that purchase to be completed using State Contract with a "report to the Board", rather than sending it to the Board as an agenda item.

Can you reply via email to me (or Jerry direct) stating approval of using State Contract without a Board action?

Thank you,

Hey Gary,

Received a call yesterday from TaWanna Gates and Jerry Bates inquiring about BoCC approval for the 180 count PC - \$147,165.05 order for Dell. They have asked that you send them a email with approval specifying that the County Manager has authorized purchasing on State contract 204A, which is noted on the Dell quote, and not requiring BoCC approval. They plan on attaching the email to the notes of the procurement documentation so it does not get held by other approving departments.

Thanks,

Jason
