MEETING DATE: September 12, 2019

AGENDA ITEM NUMBER: 9

SUBJECT: AMENDMENT TO THE 2018 SMITH REYNOLDS AIRPORT CAPITAL PROJECTS ORDINANCE (MULTI-YEAR AVIATION PROJECTS)

COUNTY MANAGER'S RECOMMENDATION OR COMMENTS:

Recommend Approval

SUMMARY OF INFORMATION:

Section 14 of the FY2020 Forsyth County Budget Ordinance contains a Board Directed Initiative for the development of action items for the Board of Commissioners approval including issuance of limited obligation bonds totaling \$17 million for facility improvements at Smith Reynolds Airport. Proceeds from these bonds are included in this agenda item as part of the funding for the proposed *Terminal Area Improvements* project when they become available.

On December 20, 2018, the Forsyth County Board of Commissioners adopted the 2018 Smith Reynolds Airport Capital Projects Ordinance to account for capital projects at Smith Reynolds Airport. The Airport CPO was created with an initial Fiscal Year 2019-estimated budget of \$9,880,000.

This agenda item amends the 2018 Smith Reynolds Airport CPO to include multi-year aviation projects by increasing the revenue by \$64,245,820 to account for \$17,000,000 in Bond Proceeds, \$43,939,240 from the Federal Aviation Administration and North Carolina Department of Transportation which will flow into the CPO when it is received, and \$3,306,580 which will be transferred from the General Fund for matching local funds as needed for FAA and State grant requirements and as it is available.

The expenditure side increases in kind by \$64,245,820 including the estimated funding needed to build out each of the projects, as well as the inclusion of new projects that the Airport is requesting permission to apply for funding. These adjustments bring the total CPO budget to \$74,125,820.
