Dear Ms. Goins:

The Jane D. Goins Re-Election Committee submitted a Certification to Close Committee form to the Forsyth County Board of Elections on August 1, 2011. The Final Report for the 2010 Election year showed a balance of $-\$0.90$ in the account. A Wachovia Bank Deposit Account Close Confirmation with a zero balance was submitted for confirmation of a closed account. The small negative balance is assumed to be a possible mathematical error. The bank account confirmation and the fact that the treasurer has made a good faith effort to find the discrepancy have been accepted as a basis to allow the committee to be officially closed.

Sincerely,

Judy J. Speas
