

HELP IMPROVE THE HEALTH OF YOUR COMMUNITY!

FORSYTH COUNTY COMMUNITY HEALTH OPINION SURVEY

- Forsyth County is partnering with a number of local organizations to conduct a Community Health Assessment
- Surveyors will be conducting randomly selected door-to-door surveys to get resident's opinions on the most pressing health needs in the community
- Survey questions include topics such as: health and healthcare access, services needing improvement, and emergency preparedness

Surveyors will be in your neighborhood

April 23-26, 2014

9:00 a.m. – 6:00 p.m.

To ensure the safety of residents, all surveyors can be identified by a name badge

**For more information, contact:
Forsyth County Health Department 336-703-3120
*ademoyat@forsth.cc***

The purpose of the Community Health Assessment is to identify the health status, concerns, and resources of our community, which is part of a community-wide health planning process.
